Deputy Sheriff Joe Ryan Captures Wanted Crook Here

Wedding of Prominent Vineburg Couple Great Surprise

BOGUS CHECKS TOTALING $400 WERE CASHED

Ernest K. Colter, Bad Checker Passer, Taken Into Custody Near Vineburg On Thursday.

Leaving eleven alleged bad checks behind him, aggregating about $400, in San Jose, Santa Cruz, Santa Rosa and Petaluma, a man giving the name of Ernest K. Colter, and posing as a Burns operative from Los Angeles, was arrested by Deputy Sheriff Joe Ryan Thursday.

Colter was arrested on warrants sworn to by banks in Santa Rosa, and after Deputy Sheriff Ryan had recognized him from information broadcasted by the protective department of the California Bankers' Association.

Colter was traveling in a large automobile with a woman companion and an Airedale dog. When arrested on the highway, the woman was hiding in the tonneau beneath a lap robe and the license tag had been changed since he was last seen. Colter admitted his guilt, according to word from the sheriff's office in Santa Rosa, where he is being held.

GRIM REAPER TAKES PROMINENT LADY

Miss Berthe Aguillon Succumbed Yesterday to Illness of Several Months Duration.

Miss Bertha Aguillon, daughter of the late Camille Aguillon, and prominent resident of Sonoma for many years, passed away yesterday at her home on Broadway, after an illness of several months duration. She was stricken with paralysis from which she never recovered.

Miss Aguillon was born in San Francisco, April 23, 1862, and same to Sonoma when three years of age. Her parents sent her abroad to be educated when quite a young woman, and she proved to be an accomplished musician, linguist and art patron. An intelligent student of world affairs, deeply devout in her religion and an exceptional business woman, she will be greatly missed in the family circle and community of which she was a part.

Two sisters, Miss Elsie Aguillon and Mrs. N. J. Heggie are left to mourn her.

The funeral will be held tomorrow at 2 p. m. from St. Francis church.

Trustees Provide For City Improvements

The City Trustees met Wednesday night and after paying claims for the current month, transacted considerable business. Among improvements authorized was a furnace for the public library which will provide comfort for patrons which the old fashioned stove failed to do.

Three hundred dollars was also appropriated for the erection of a band stand in the Plaza, where the Sonoma Park Band will eventually hold regular weekly concerts.

Rebuilding Is Brisk at the Springs

Business and Residence Section Being Restored; Many Other Improvements Are Contemplated.

The people of Boyes Springs are rapidly rebuilding the burned area and quite evidently plan to live up to their slogan, "A bigger and better Boyes Springs."

Architects for the new 60 room, steam heated Boyes Hot Springs Hotel were on the ground this week taking measurements and data for the plans now in preparation.

The frame is already up for the new $5000 home of Mr. and Mrs. B. Cabanot, located on the site of their former residence. The Cabanots are also expecting to let a contract for their new business block opposite the N. W. P. depot.

E. A. Wagner has let the contract to M. Y. Hansen for the erection of a store and post office building on his property facing the highway. The $4000 buliding has already been commenced.

The Sonoma Vista Improvement Club has let the contract for the rebuilding of its club house, planned along much better lines than the one which burned down. Mr. Joscelyn is the contractor.

E. Cierio has his new $3000 residence under construction. Steinkamp's new resort is being rapidly completed. John Benedetto is making extensive improvements and is remodeling his store building opposite the bath house. Mrs. Getchell has built herself a cozy new cottage. John McLeod is already occupying his new garage as a temporary home in Woodleaf Park.

An addition is being built on the new fire house, to be used as living quarters by Chief Cause. Contractor R. E. Murphy has donated the work on the chief's boudoir.

N. Kramer, the grocer, is already occupying his new store, and the Boyes Springs Lumber Company has been much complimented on its new home.

In less than two months since the big conflagration Boyes Springs has a proud record of accomplishment. It presages a wonderful growth during the coming year.

Sonoma Road Is To Be Put In Shape

Good news for motorists.

Supervisor Fred Lowell has promised to put a roller and scarifier on the rough strip of dirt road joining the end of the new Beltane-Santa Rosa highway with the old macadam road through Sonoma Valley.

The dirt strip is about four miles long and is in a deplorable condition, according to local motorists. The promise of the supervisor, however, to get this strip in smooth shape before the rains comes as good news for local people who wish to use the new highway.

A better type of construction was at first contemplated to be carried out in the southern half of the Schellville-Santa Rosa road, according to statements made by Division Engineer John Skeggs of the State Highway Commission.

Putnam and Graham Admire New Field Where San Francisco Seals Will Train

The new baseball park adjoining the Valley of the Moon Golf and Country Club has captivated George Putnam and Charles H. Graham o the San Francisco base ball club, who came up Monday to look over the new training ground where the Seals will be quartered during February. They expressed themselves as pleased and surprised with the new ball park. Putnam pronounces the Boyes Springs training camp the finest in the West. With the new grass green diamond 590 feet square and a contour hard to equal anywhere, it cannot be beat, says the expert.

The San Francisco Seals, winners of the pennant both seasons they have trained at Boyes, will come here in February, 1924, with some of the stars of last season and several promising new athletes among the bunch of 50. The sensational 16 year old Eddie Montague, who hails from the San Francisco Polytechnic High, and George Stanton, marvelous left hand pitcher, will be on the squad. The 50 players will be supplemented by trainers and accompanied by the usual corp of news writers, camera men and officials. Altogether the coming season at the new ball park will be one of the most brilliant of any of the training seasons at Boyes.

The training squad will be quartered at the Valley of the Moon Golf and Country Club House. Mr. and Mrs. Putnam have leased the Mayme Kelly bungalow.

A big dedication game with fans from all over the county gathering at the new ball park is scheduled after the Seals get to working here.

BUSINESS MEN AID FILM COLONY PLAN

The Sonoma Business Men's Association meeting Monday night atwhich it was decided to hold a noon-day lunch the first Monday of each month at some of the local eating houses to discuss civic problems in a social way. The regular business meeting of the organizaton will be on the evening of the third Monday in each month.

H. Ridgway of the P. G. & E. Company addresed the meeting on rates and extension.

A resolution was passed endorsing the starting of the proposed new state highway work at Boyes Springs.

A delegation favoring the Coney Island site as a motion picture producer's colony was given an opportunity to present their plan of interesting film makers in this Sonoma Valley location. A committee consisting of W. W. Carter, H. W. Greene, George Samuel, George Crowe James Baines and W. L. Murphy will meet to further the project. Fifty dollars was donated for preliminary expenses.

Messrs. Carter and Greene visited San Francisco Wednesday to ascertain the financial conditions regarding the property and interviewed attorneys for the creditors and also the referee in bankruptcy. The property which the Sonoma boosters would convert into a new film world was intended by Wolf Baron, bankrupt owner, to be a big amusement park. He spent from $50,000 to $60,000 on it, but the park went broke almost before it opened its doors.

Thanksgiving Eve Y. M. I. Dance

Following an old and honored custom of celebrating Thanksgiving eve, the Young Men's Institute Council of Sonoma will give its annual ball here November 28th at Union Hall.

The Young Men's Institute comprises many of our leading party goers of Sonoma Valley and they are arranging a fine time for all who will attend the dance Thanksgiving eve.

MAY PRODUCE EMMA MERRIAM IN COURT

The motion of the defendant for a new trial in the case of Emma Merriam et al., vs Otto Brandt, was argued before Judge Thompson Monday Considerable testimony was also heard in support of the motion. The plaintiff and Wallace Ware testified for the plaintiff while the defendant and W. F. Cowan testified for the defendant. Later Mrs. Ellen Rousch and Daniel Reed testified in rebutal and R. W. McDonald in surrebutal.

The case before the court was that of Miss Emma Merriam, an incompetent, by her guardian, the Oakland Bank of Savings to quiet title to a 475 acre ranch in the Schellville section valued at $80,000. Judge Thompson who tried the case some months ago, granted plaintiff a decree quieting title and it was on this judgment that the motion for a new trial was asked.

The case was continued in the hopes that Miss Merriam would be able to appear in court.

Chimney Fire At The Wicker Home

The fire siren alarm brought the fire department out Tuesday evening, an alarm having been rung in from the Wicker home where the chimney was on fire. A fireplace which had been in use for a stove was converted again into an open fire and caused the trouble.

Fire Chief Valente's crew responded promptly, as did neighbors, including Ralph Hotz, who climbed to the roof with wet sacks. The fire was controlled with chemicals and no damage resulted .

ATTENTION, NAPA! OIL IS OVER HERE

Benjamin McKenna, who resides on the Castle road at Buena Vista, came to Sonoma Thursday with specimens of clay which he believes contain traces of oil deposits. He took the cla yfrom a well he is digging on his ranch a mile and a half from our city.

Glen Ellen Club Had Fine Dance

Dance at the Jack London Library Was Attended By 300 Last Saturday Night. Prizes Awarded.

The masquerade ball given by the Glen Ellen Women's Improvement Club last Saturday night was one of the most successful social events ever given by the club. The beautiful assembly hall of the club house was thronged with maskers, there being over 300 paid admissions. Many beautiful and original costumes were worn by the dancers and there were many out of town people represented at the gathering, including a number of house guests of Mrs. Eliza Shepard, among them being Dr. Granoman and Dr. Anderson of San Francisco and Miss Anderson who won the prize for the best group of maskers. They represented Russian peasant, bushman and Spanish woman.

Mrs. Fred Clark of Glen Ellen captured the first prize for the best sustained character, a Chinese lady. Mrs. Milton Johnson won the most original her take-off being "Yes, We Have No Bananas."

Kenwood sent a large delegation, representing the vegetable kingdom, Mrs. Kern being a pumpkin, Arthur Kunde a jolly baker boy, Mrs. George Thompson and Miss Eileen Cowen were old fashioned girls; Thomas Campion, a tramp; Mrs. Kernholtz, a Red Cross nurse; Mr. Wilson, a constable; Mrs. Irving Shepard and Mr. Lichtenberg, Danish characters. In addition to these and many other were the negro couple, Irving Shepard and Lee Kynoch, dressed as colored lady and gent cake-walkers. Two duck hunters with pop guns and decoys made a decided hit with the crowd.

Music was furnished by Butler of Santa Rosa and proved very popular. At midnight supper was served in the club house dining room, over 250 guests sitting down to the fine repast.

About $150 was cleared by the ladies toward their club house debt.

"Play Day" Today At Grammar School

Miss Myra Green of the county superintendent of schools office has prepared a fine program for the "Play Day" of the Sonoma Valley grammar schools, to be held today at the Sonoma grammar school grounds.

A number of committees have been chosen to perfect arrangements for the affair, at which it is expected a large number of students and parents from all the schools in this section will be present. The day will be given over to playing games and a basket lunch.

The "play day" held at Spring Hill last Saturday was such a great success that Miss Green has decided to have several in the near future. Over 250 attended the Spring Hill session, and it is believed a larger number will be at the Sonoma day of recreation.

The new game "speedball" will be introduced at the play time. This new game is proving popular here. It combines some of the elements of American and Association football, and is exciting. Everyone is invited.

FLORENCE FORNI AND ROY HYATT QUIETLY MARRIED

Pretty Vineburg Girl Claimed as Bride By Prominent Fruit Man Formerly of Cordelia.

Miss Florence Forni pretty and vivacious daughter of Mr. and Mrs. E. Forni of Vineburg was quietly wed in Napa Thursday to Roy Hyatt, prominent young fruit man. Immediately after the ceremony the young couple left for San Bernardino where they will make their future home.

The bride is one of the most popular young ladies of Sonoma Valley and the groom has been identified with the packing house at Vineburg, where as superintendent, he made many friends. His folks reside in Cordelia.

WANT NEW HIGHWAY TO START AT BOYES

Business Men and Property Owners Petition State Highway Commission For Early Construction of Road

The business men and property owners of Boyes Springs have petitioned the State Highway Commission to begin construction on the new Schelville—Beltaine unit at Boyes Springs. The petition was endorsed by the Sonoma Business Mens Association who passed a resolution favoring the move at a regular meeting Monday night. The petition to the Highway Commission is as follows:

We the undersigned business men and principal property owners of Boyes Springs, having recently suffered from a serious fire which destroyed the entire business district and almost the entire residence district, causing a serious set back to this section of Sonoma Valley, do most earnestly petition the Highway Commission to instruct the successful contractor on the Schellville—Beltaine unit to commence operations and start the highway work at Boyes Springs in order to facilitate rebuilding now in progress here. Such a course would make road construction coincident with other construction work, would enable property owners to get the exact location for new buildings on the highway and would greatly help Boyes Springs to get back to normalcy.

Signed.

The Boyes property owners believe that while the business section is in the rebuilding stage, the road construction might as well be in progress at the same time so that the Springs will not later be again torn up and discommoded after all they have already suffered.

EL VERANO NEWS

By ARCHIBALD McKIVER

The Armistice Ball to be given by the Native Daughters this evening (Saturday) at Union Hall, Sonoma, will be the season's social event. This is the eighth annual ball given by the order, and all the youth and beauty of the Valley of the Moon will be in the old town to trip the light fantastic. Jazz music will feature this dance, with unbounded merriment from 9 p. m. to 2 o'clock in the morning. The valley's pretty Native Daughters will have charge of the floor and extend an invitation to all.

John Basileu and Bill Preston were in San Francisco Monday looking the old town over and attending to business affairs. The village barber guided Bill through the joy zones of the bay cities.

H. Doktor, who has resigned the position of section foreman at Schellville, has been succeeded by Mr. Harrington, formerly of the Napa Junction division. His family have joined him and he has taken charge.

Jim Lawrence the tire doctor, Emile Vincent, Walter Paulson and John Larsen, four jolly fishermen, hopped the rattler at El Verano Sunday morning for Napa Bridge. It was an ideal day for the followers of old Ike Walton and the boys brought home some nice bass. Larson and Paulson are contenders for the championship as bass catchers and the contest is creating much interest. The boys did not fail to remember the writer. Thanks.

Pat McDonnell was an interested spectator at the opening of Tanforan race track last Saturday, at which time a crowd of 30,000 welcomed the ponies back to California. Our esteemed friend occupied a reserved seat, presented by the owners, the Spreckels. Mr. McDonnell is foreman of the Spreckels ranch in Sonoma Valley.

Sylvia Thomas, a former Sonoma boy who left that city many years ago to follow the ponies, is assistant starter at the Tanforan race meet. Thomas in the old school days always talked race horse and his boyhood ambition is now being realized. It is many years since Thomas has visited Sonoma Valley, his business having kept him in Eastern states.

Jim McCosker, well known cattle buyer of Vineburg, was in these parts Sunday looking over stock. McCosker is an old time cattle king and his many friends here were glad to see him.

Sunday morning at 2 a. m. a motorist coming towards El Verano ran into the bridge which connects Captain Candelin's place with the county road and tore down his gate and part of the bridge. The driver of the car lost his coat at the scene of the mishap and letters were found in the pocket bearing the name of Howard Meuser, Sonora. The machine was evidently badly wrecked, as parts were found on the ground. It is thought the car, which could not be located in any of the garages in the valley, was returning from the dance at Coney Island.

Mr. and Mrs. J. Amman have returned from a shopping trip to San Francisco.

J. Locarnini and son were San Francisco business visitors on Thursday.

John Dowdall, who will pull off a turkey shoot at El Verano on Sunday, Nov. 25, is going to sign up two rival crack rifle shots who last year became famous through their efforts to outclass each other for a bird. Ferd Norrbom of Sonoma and Bloss Keecheler will toe the mark on that day to shoot out an old rivalry, as a result of which one will be crowned champion of Sonoma Valley.

George Stevenson, railroad engineer from San Francisco, is spending several days visiting with Sonoma Vista friends.

Mrs. John Love of Antioch is a guest of the McGills.

John Gist, the scales doctor, was in town last week making his yearly inspection of scales. Gist said that everything was well balanced in El Verano. In former years John was a deputy sheriff and still carries a buzzer. His Sonoma Valley friends were glad to see him. He now resides in Santa Rosa.

H. Lordeaux and family have moved from Santa Rosa to Verano. Mr. Lordeaux is an electrician.

George West, Sonoma Vista property owner, was looking over his interests here recently. Mr. Jasper is his Sonoma Valley representative.

R. A. Harrison of Marshfield, Ore., is a visitor at the George Baines home. Mr. Harrison is the father of Mrs. Baines and is enoying his visit in Sonoma Valley.

Miss Doris Nonella of the San Francisco Telephone Company was a week end guest at the home of her parents in El Verano.

Congressman and Mrs. Clarence F. Lea, who have been spending the past few months in Santa Rosa, expect to leave Nov. 15 for Washington, D. C. Lea expects to reach Washington two weeks before Congress opens, as he has preliminary work to attend to.

Mrs. G. McAuley was a week end visitor in Oakland.

L. Lamotte was in San Francisco last week.

Charles Blomstrom, carpenter, while driving home from his day's work in Sonoma, was struck by an automobile which tore a wheel off his rig. Blomstrom was thrown out of his conveyance, and although not greatly hurt, was dragged for some distance before the frightened horse could be stopped. The driver of the car, who is said to be Mr. Tracy of Lovall Valley, failed to stop after the accident to render assistance.

Fat Stuermer of the firm of Valente & Stuermer, was in town recently with cards announcing the winter schedule of the San Rafael and Sonoma Valley buss line. This line has become a favorite medium of transportation and carries many passengers in and out of Sonoma Valley.

George W. Ambruster, of San Francisco, after spending several months at the French Cottage for the benefit of his health, has returned to the city to resume his law practice, being very much improved in health.

Mrs. H. Lutgens spent the week end at the Morris home, returning to Sacramento Sunday afternoon.

Mr. and Mrs. M. F. Mullen went to San Francisco Saturday to attend the funeral services of E. O. McCormick, famous S. P. railroad official and vice president of the Company. Friends in all walks of life and many prominent railroad men filled the cathedral, while Archbishop Hanna delivered the eulogy and officiated at the requiem mass. Mr. Mullen, a former S. P. railroader, is one of the company's pensioners and still takes great interest in railroad affairs.

Mr. and Mrs. D. C. McCarthy and Harry Kabler motored to the City of Roses Monday. The McCarthys are owners of the Annadan Summer Resort here.

J. W. Loftus, a rancher living near Oakville, has been arrested by A. E. Frost of the Department of Forestry, who charges him with burning rags and sulphur in an open pan or kettle in a region of inflamable grass and brush, without a permit. The Oakville fire broke out on the Loftus ranch on September 16th, and driven by high winds, swept across the country and into Sonoma county, where, before it could be checked, the fire had come over the mountains and destroyed Boyes Springs and other nearby sections. Loftus will appear before Judge Snow next Friday.

Miss Alice Frago, popular young lady of Sonoma, was an S. P. passenger for Merced Sunday, accompanied by her mother.

Roy Hansen and mother motored to the San Joaquin Valley last week, where they visited relatives and many old friends. Roy was born in the San Joaquin Valley and this was his first visit to the place after a long absence. During his stay he was a guest of the Gustine Gun Club. Coming home they motored through Pacheco Pass, San Jose and Oakland, and stopped at Richmond to visit Mrs. N. Carriger, nee Norma Hansen. A delightful trip was enjoyed by Mrs. Hansen and her son.

Miss Juanita Hollingsworth of Sacramento is spending the week with her mother in El Verano.

Mrs. Nick Carriger, after a visit with home folks in Sonoma and El Verano, has returned to her home in Richmond.

The S. P. depot and Wells Fargo office at El Verano was entered by thieves Monday night who gained entrance through the baggage room door into the railroad office. The money drawer was broken open and the contents, amount to $2.00, together with a roll of ribbon used for the stamp of the express company, were taken. A number of express packages and boxes were gone through, it is thought in search of coin. The contents were left on the office floor while one box was taken about 100 yards south of the depot before being opened. The burglars found they had been handed a lemon, however, as that was all the box contained. This is the first robbery registered against A. L. Gale's station during his long period of service with the company. The same evening the N. W. P. depot at Sonoma was entered by the same gang, where they succeded in getting only a small amount of cash. Deputy Sheriff Joe Ryan, hearing the burglar alarm, hastened to the depot and waited for some time, thinking the burglars were inside, but they had left before the officer arrived. Station Agent Gale, on his arrival from his ranch, notified Ryan, who came to El Verano and after looking the job over, started to work on the case. It is thought these are the same men who recently went through the Schellville post office and depot and that they made their getaway from El Verano in an automobile, as several residents here heard a car speeding away in the wee hours of the morning Tuesday.

VISITORS HERE WEDNESDAY

Mr. and Mrs. C. L. Gardner and Mr. and Mrs. Elmer Mobley were here on Wednesday and dined at the Toscano. Mr. Gardner is a postal inspector and travels widely for Uncle Sam.

FOURTH CLASS POST MASTER EXAMINATION

The United States Civil Service Commission has announced an examination to be held at Petaluma, Cal., on Nov. 24, 1923, as a result of which it is expected to make certification to fill a contemplated vacancy in the position of fourth class postmaster at Boyes Springs, and other vacancies as they may occur at that office, unless it shall be ecided in the interests of the service to fill any vacancy by re-instatement. The compensation at this office was $886.00 for the last fiscal year.

Applicants must have reached their 21st birthday on the date o the examination, with the exception that in a state where women are declared by statute to be at full age for all purposes at 18 years of age on the date of the examination will be admitted.

Applicants must reside within the territory supplied by the post office for which the examination is announced.

The examination is open to all citizens of the United States who can comply with the requirements.

Application blanks, Form 1753, and full information concerning the requirements of the examination can be secured from the postmaster at the place of vacancy or from the United States Civil Service Commission, at Washington, D. C.

Applications should be properly executed and filed with the Commission at Washington, D. C., at the earliest possible date.

OVER $48,000 SPENT ON SONOMA ROADS

The county road proposition in this Supervisorial District is receiving renewed and intensive thought, with the payment of more taxes and the unconsoling outlook of no better roads to show for it than last year, 1922-23, when $48,994.61 was expended in this district.

The main thoroughfares between Sonoma and Petaluma, between Vineburg and the Lowell Ranch, the west side Glen Ellen road past the State Home, the East Napa Street stretch, are all in bumpy, deplorable condition despite the $48,994.61 which was spent in improvements. Of this amount, however, $11,208.85 was for bridge work, expended as follows:

Equipment, hose	$ 153.7[illegible]
Hand Labor	1,582.40
Corrugated culverts	29.48
Bridge near Pronini ranch	518.39
Sonoma Creek bridge	1,488.67
Boyes Springs bridge repairs	1,837.80
Bonnison culvert and fill	4,117.11
Willow Creek bridge	1,481.25
TOTAL	$11,208.85

General expenditure on account of First [illegible] District is itemized as follows in the report of the County Auditor's office:

Hand Labor	$6,138.94
Team labor	5,152.39
Team hire	4,077.50
Equipment hire	435.88
Equipment operator	1,125.25

Supt. of roads	105.68
Explosives	54.88
Rock and gravel	2,091.60
Russell Grader	692.43
TOTAL	$48,994.61

The formation and founding of a road district here for permanent county highways is advocated by many leading citizens as a solution to the present problem of getting something to show for the taxpayers' money, something which will prove an attractive asset to the district.

CONTRIBUTORS THANKED

The beautiful cedar hope chest donoted by Mrs. George O'Donnell for the benefit of the new club house at Glen Ellen has been the recipient of a number of nice gifts so far and many more are promised. When the chest is filled it will be disposed of for the Jack London library debt. Tickets on it will be 10 cents.

Among those who have given articles for the chest so far are the following: Miss Lucile Thierkoff, Mrs. Emma Kopf of Santa Rosa, Mrs. C. L. Miner of Penngrove, Zoe Holden and Mrs. Holden of Oakland, Mrs. C. G. Murphy, Mrs. Eliza Shepard, Mrs. P. McMullen, and Mrs. O'Donnell.

The club women are most appreciative of gifts for the hope chest and will welcome further contributions.

THAT STOLEN LETTER

Senator Johnson and his stolen letter predicament has been well aired in California and made the most of politically by both the enemies of Johnson and by Johnson interests trying to implicate the present state administration. As viewed by calm outsiders the Johnson predicament is more enlightening.

For instance:

The Des Moines Register comments editorially, "the private letter of Hiram Johnson to his friend McClatchy about the publication of which so much fuss has been raised owes its chief interest intrinsically to its revelation of Johnson's own pessimism of his chances in California. But an incidental effect, and one that is not subject to the criticism that procurement of the confidential letter draws, is to call attention to the perfectly open fact of Johnson's defeat in California at the last election and his loss of control of the party machinery. . . Let the country not lose sight of the fact that in the State that was supposed to be Johnson's political property, where he has campaigned again and again, his ticket was beaten and his organization broken the last time the voters got at it."

Dry law not a failure? Sheriff Veal of Contra Costa County tells the Governor that in his county he has collected $34,641 in fines and 21 places have been abated or closed in the past six months. Of what is such lawlessness indicative but failure? Successful wholesale prosecution would be unnecessary if our laws were respected and upheld as they should be and would be if reflective of real Americanism.

Sonoma celebrated Music Week and proved its appreciation of music and its growing interest in its value to the community by producing a splendid orchestra of young people, a well-trained community band and soloists of merit. We harmonize well with progress along many lines.

The unsightly billboard and glaring signs on buildings are beginning to be a real menace to Sonoma's civic beauty. Activities of the daubers should be halted and some of their work obliterated by action of the City Council.

SONOMA AND WINTER TRANSPORTATION

Sonoma Valley needs better winter transportation service in here. With the N. W. P. and the S. P. ferries leaving San Francisco at 4 p. m., or thereabouts and the last motor bus connection an hour earlier, the public is not well considered during the winter months. The evening bus service formerly in effect on the San Rafael and Sonoma Valley line put this community on a par with other live centers where hibernating in winter time is no longer fashionable. Now Sonomans abroad must get home in time to go to bed with the chickens, own a car and go it alone, or stay out until the next day.

Better service, please, gentlemen of transportation arrangements. Sonoma wants to grow.

REAL CRIME SHOULD BE HALTED

Commissioner Haynes, prohibition chief at Washington, D. C., asks that all peace officers and police in the United States be put at his disposal to enforce the prohibition law.

Why commandeer our officers for this particular piece of law enforcement with real crime rampant everywhere? Why not ask officers to enforce all laws? Why not marshal the police of the country to arrest all crooks, murderers, thieves and hold-up men, instead of only liquor violators.

As an eminent authority has pointed out, a peace officer down to the smallest deputy, will soon be chosen in America on his record as a liquor sleuth. What will be the result? In wet communities the finest kind of crime detectors and officers will be defeated for office if they become unpopular on account of prohibition. In dry communities a yellow dog can be elected if his obsession is making raids and getting bootleggers.

Let us have laws that the United States can enforce, not ones that make for such widespread lawlessness that internal rebellion must be put down with federal, state, county and municipal aid. While rum-runners are being run down, crime of every description gets a chance to flourish, and is flourishing.

Slim attendance at meetings does not make stout hearts among community builders.

RICHARDSON KNOWS WHAT HE'S DOING

The loud outcry of anti-Richardson leaders that the State treasury was depleted was with the evident purpose of discrediting the economy administration. Governor Richardson in his quiet, calm way explained that the temporary bare cupboard was due to the fact that money had been advanced the Highway Commission to keep work going. It was good business and the Governor knew what he was doing. Anything he don't know about the State treasury after being State Treasurer for several terms is hardly worth knowing at all.

Proponents of economy in State finances think as the Index-Tribune thinks that an empty pocket once in a while has a good effect. It brings home to us the fact that a State can be broke as well as the individual. It is the antithesis of believing that when the State has to pay that funds are limitless and that it doesn't matter how much we spend or how many are on the payroll. The latter idea has been altogether too prevalent. Governor Richardson has uncorked a new brand of thought which is worth imbibing.

The hot springs of Sonoma Valley, and warm-hearted hospitality of romantic old Sonoma should lure winter travel from San Francisco and elsewhere to our Mission town every day during the winter months. Proper publicity will give us a tide of traffic for which we are providing better highways and bridges, like the one across Carquinez Straits. Publicity bridges a gap that steel or structural iron cannot.

ANTI-SALOON LEAGUE ADVISOR SPEAKS HERE

Next Sunday morning at 11 o'clock at the Sonoma Congregational church Ben F. Geis, legal advisor of the California Anti-Saloon League, will speak here. Geis is a former district attorney of Glenn county and for five years was prosecuting attorney under the United States District Attorney in San Francisco.

The Anti-Saloon League speaker is said to be a very fluent and forceful orator and the public is invited to hear him on this occasion.

B. FOSTER TO RESIDE AT FOSTER RANCH

Benjamin Foster, son of A. W. Foster, owner of the Lakeville ranch and other extensive acreages in Sonoma Valley, has come to reside at the Lakeville ranch and farm it with H. G. Sinclair, for many years superintendant of that productive property.

Mr. Foster is a young man keenly interested in the agricultural possibilities of this section and is already enthusastic over the Valley of the Moon. He has brought his wife and little daughter to make their home here also. His father, A. W. Foster, is the retired N. W. P. railroad official and has always shown marked interest in the development of Sonoma Valley and the maintenance of his property here. The coming of Ben Foster to be actively associated in the management of the Lakeville ranch will be welcome news in this vicinity.

NEW BABIES ARRIVE

Mr. and Mrs. Brocco of El Verano are the parents of a new baby boy. The Broccos are relatives of the Locarnini family.

Pete Yenni of the Nichelini Plumbing Shop is a grand-dad. His son, Pete, Jr., is a proud daddy down in Turlock.

Mr. and Mrs. Paul Jensen (Flora Stillings) have a little son. Dr. Hays was in attendance.

Miss M. Burchard the school teacher, has been on the sick list and Mrs. Ralph Hotz has been substituting for her.

VINEBURG NEWS

George W. Reed of Sonoma was a visitor here last Sunday.

Miss Ruth Hansen was tendered a surprise party on her birthday, Wednesday, Nov. 7th, by a number of her young friends. All report a good time.

Miss Mary Batto is the guest of friends in San Francisco this week.

Miss Kate Bosch was the guest of friends and relatives in San Francisco over the week end.

The pioneer merchandise and feed firm of John Batto & Sons have purchased the Mullen warehouse at El Verano and intend to make extensive improvements in fitting up and stocking the same thus enabling them to give service to their many patrons in El Verano and the northern part of the Valley of the Moon.

After a ten days' visit at the Summit, Mr. and Mrs. Fred Batto and son returned home last Sunday.

SAD DEATH OF A MOTHER

Mrs. Margaret Weiss, who had been residing for the past two years near Buena Vista, passed away last week and was buried Thursday, Nov. 1st, in San Francisco. Her death followed an apoplectic stroke from which she lingered for three days.

Her husband who had come to the Valley for his health, survives her, as do four sons and a daughter.

The bereaved husband and parent intends to give up his little ranch and will go to San Francisco to reside with his children.

SONOMA APPLE GROWER VISITS IN WATSONVILLE

George Cassidy, president of the Sonoma Valley Apple Growers Association, recently returned from a trip to the Pajaro Valley, Watsonville, Monterey and other points of interest. He motored down to visit relatives and also to get data on the apple industry in the famous Watsonville district.

Mr. Cassidy says the apple yield of that section is wonderful and the country a fine one, but after talking with the growers, he is convinced that the apple men there are 20 or 30 years behind the times when it comes to disposing of their crop. The system of marketing in Sonoma Valley far excels the lack of organization there, declares Mr. Cassidy.

"With many fine packing houses, splendid orchards and magnificent fruit, the orchardists are at the mercy of the commission men," says the Sonoma grower. "Sonoma orchardists get away from this old fashioned and expensive program long ago and should keep away from it. Watsonville should profit by our experience. We can profit and benefit by their experience in other things. The Watsonville packing house is a model of system, efficiency and labor saving. Their packing house floor arrangement beats our Vineburg plant in many way."

Mr. Cassidy blames poor returns of apples the last two seasons to general market conditions and declares that the growers organized are better off under any circumstances than before as prices this season will prove. The return on 1923 apples will be much better than expected.

NATIVE DAUGHTERS' ANNUAL BALL TONIGHT

Sonoma Parlor No. 209, N. D. G. W. will give its annual dance tonight at Union Hall. The affair will be a patriotic observance of Armistice Day and many appropriate features will be introduced during the dance. The San Francisco Grays have been engaged to furnish music for dancing, which will continue until a late hour. A large crowd is expected.

W. W. HILL IN TOWN

W. W. Hill, the live wire Bennett Valley resident, was a visitor here on Monday. Mr. Hill who is keenly interested in education and was a great booster for Sonoma Valley's high school bonds, made his first visit to the new school building. He was well pleased and says we got our money's worth.

The visitor also visited the grammar school and remarked on the well kept and attractive lawns and shrubbery around the building.

Mr. Hill advocates Sonoma getting ready for the new highway traffic by taking down unsightly fences, planting cross fences of roses and painting up out houses and business places. Community welfare is his hobby and he is interested in Sonoma's progress.

Call again, Mr. Hill.

SONOMA INTERESTED IN BEE INDUSTRY

An interesting meeting of local bee men and Farm Bureau experts on bee culture was held at the William Rambo ranch this week. The handling and discussion of bees was taken up by the experts present, led by Professor Vansell, apiarist of Davis, and Farm Advisor Weinland.

The importance of bees to the fruit industry, present condition of the honey market, wintering of colonies, best types of hives and other topics were discussed.

Mrs. William Rambo and Mrs. George Crowe served refreshments prepared with honey.

BRUSKY'S GRAVEL PIT

The Brusky Bros. have installed new rock crushing equipment on Sonoma creek at El Verano and have established a gravel supply business. They intend to sell locally and also to ship gravel to the outside market.

Mrs. Henry F. Bates had an operation for tonsil trouble at a San Francisco hospital this week.

Mrs. Gertrude Johannsen Pitts gave birth to a little son this week in San Jose.

Ex-Postmaster John Wagnon of Napa county, who is now engaged in farming, visited old friends in Sonoma Saturday.

Phoenix Hosiery Agency

WE WISH TO ANNOUNCE that we are about to open a Hosiery Department in our Shoe Store. This step has been taken owing to the fact that most of our patrons are unable at the present time to secure the desired shades to match our footwear.

We have selected we think, one of the very best and most reliable lines of hosiery. Phoenix Hosiery needs no recommendation—it is known the world over. We aim to establish one of the most complete Hosiery Departments to be found in a city this size.

Miss Anne Noyes will have charge of this department after school hours and on Saturdays. You will find she is one of the most pleasing young ladies you could wish to have wait on you.

We will appreciate a visit from you and also welcome constructive criticism which will help us make this department a success.

Why a Power "Trust" is impossible in California

UNDER the California system of regulation of public utilities by the Railroad Commission which has all the facts before it, the public fixes the rate that it pays and determines the service that it gets. Public utility companies are thus prevented from making large profits but they are not guaranteed against loss.

There can be no such thing as "power trust" in California where rates, financing and service are controlled by the public through its Railroad Commission. Imagine a "trust" which must serve its customers at prices, and with the degree of efficiency determined by those customers!

The public is the partner of every public utility enterprise under the California system of regulation by the Railroad Commission. The public regulates rates, service and financing. It gets service at actual cost including a fair return upon the reasonable cost of the property used.

The public cannot get any form of service permanently from any source at less than cost.

FIRE CHIEF RECIPIENT OF FINE ENTERTAINMENT

Chief W. B. Cause has sent clippings from Richmond, Va., papers reporting the big fire chiefs' convention which he attended in that city. There were over 1000 delegates, some coming from Cuba, Canada, and California The delegates, including our chief, were dined by the women of old Virginia in true Southern fashion and the delegates were taken to historic James town, through the Norfolk Navy Yard and other points of interest.

The fire department of Richmond blazed a noisy welcome to the guests and the Oklahoma fire boys brought their famous band with them. A display of the latest fire fighting and protective equipment was displayed by manufacturers of national fame. Demonstrations were given by big and little fire engines, including the La France and Waterous types.

At the convention sessions many problems confronting fire fighters were discussed. Prompt alarms to minimize loss was strongly stressed. Smaller hose to fight interior fires was advocated to keep down water damage. There were also many official tests of apparatus.

The convention closed with a grand ball at which the chiefs appeared in full uniform. The next convention meets in Buffalo, N. Y.

COWEN LOST IN FOG

A touring car owned and operated by George Cowen, Kenwood rancher, crashed head-on into Frisbies Inn, about 5 o'clock Sunday morning, near Sebastopol. The machine went through the side of the building, turned around and stopped against the opposite wall.

Cowen and three other men had started out duck hunting early Sunday morning and got as far as Frisbies Inn where they met with the mishap. It was extremely foggy and the driver could not see the road and instead of making the turn they crashed through the building.

The front of the car was badly damaged, but none of the occupants were injured.

The accident is the sixth one of its kind at this corner in the last month.

CHRIS WISE BURIED HERE

Chris Wise of San Francisco, brother-in-law of Louis H. Green, passed away last week and was buried here Saturday. Wise formerly resided in Sonoma and married Mr. Green's sister, Kate. He will be remembered by many old timers for his genial personality and square dealings while a resident of Sonoma Valley.

Mrs. L. H. Green of San José accompanied the remains here for the burial in the Catholic cemetery.

HIGH SCHOOL NOTES

Last Saturday morning several machines, filled with eager students, started for Petaluma on the educational excursion arrange by George Crowe. In Petaluma they were met by Mr Kerrigan, secretary of the Petaluma Chamber of Commerce, who directed the tour through the industrial section of the city. The tourists first were shown through the Webster & Green shoe factory, then through the factory of the Belding Silk Company. At noon the visitors were the guests of the Petaluma P. T. A., and were served a delicious luncheon at the Senior High School. At 1 o'clock they once more started on the trip and were shown through the new Junion High School, the Pioneer Hatchery, the Poultry Producers' plant and the Golden Eagle flour mill. All places proved to be intensely interesting. After the sight seeing the visitors were guests of the Petaluma High School at a football game.

Miss Byrne was at school again on Monday after a week of illness.

The musicale held on the evening of November 2nd, was well attended and will be remembered by the people of Sonoma Valley for some time. The high school orchestra played several beautiful selections and Miss Zolita Bates and Mrs. Ralph Hotz delighted the audience with "Requiem" and Schubert s "Serenade." Lyle Campbeli rendered several violin selections and P. C. Meinhardt played two baritone solos. The remainder of the program was furnished by the Sonoma Park Band. The boys in their uniforms had a real professional appearance and played most excellently. The band numbers were "Fidelity March," King; "Overture Valmond," Rockwell; "Minerva Waltzes," Miller. Professor Meinhardt's solo numbers were Intermezzo "Cavalliera Rusticanna." Mascagni; "Young Werner's Parting Song," Nessler.

The Junior Farm Bureau has been planning the beautification of the high school grounds.

On being shown through the Petaluma High School the Sonoma students noticed many points about the building where our school excels.

Mr. Campbell is learning to speak French. He has a new Chevrolet coupe.

Tuesday Miss Byrne's cooking class made peanut and almond candy. Lucky cooking class!

The new 1922 edition o the International Year Book has been added to the library. The library shelves looked bare at the beginning of the year, but they are rapidly filling up with good books. R

The basket ball standard which Armand Franquelin recently completed has been set up in the auditorium. The new standard would have cost $85 if it had been purchased, but by making it the cost was only $35. The school believes in economy.

At 10 o'clock this morning the Sonoma tennis team will play Analy High School on the home court. Be there and root!

The Junior Farm Bureau was represented by Sam Steiman, Barrick Wright and Herman Johnson at the monthly meeting of officers in Santa Rosa on Thursday, November 1st.

At the weekly assembly on Friday, November 2nd, the dramatic class presented "The Golden Doom," a one act play of merit, which portrayed the superstitions of the people who lived at about the time of the fall of Babylon. —Anna Noyes

The Sonoma Valley Womans Club will give its November "500" party Wednesday next. Mrs. R. Hotz, Mrs Ed Clements and Mrs. H. Fiscus are arranging for the party at the clubhouse. Nice prizes will be given.

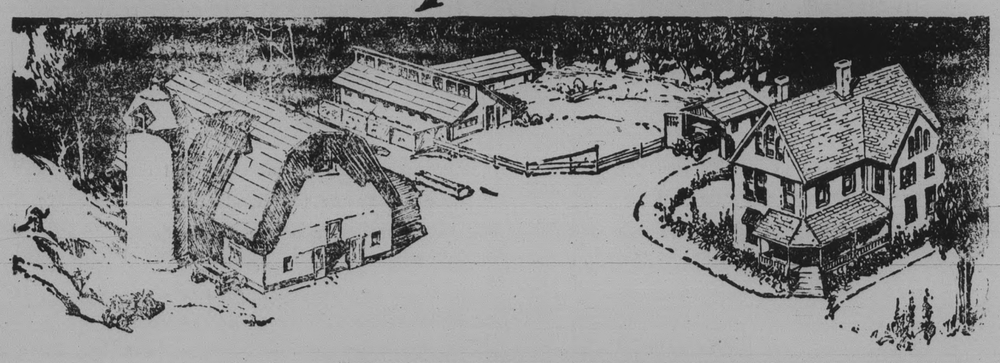
What a little paint will do!—



THINK what a little *Certain-teed* paint will do on the farm! For a house like this the paint will come to less than $3 for a big barn less than $25
Only 1¼ gallons are needed for the garage and 1½ quarts for the car. Where can you lay out a few dollars that will bring in half the return? Good paint adds many years to the life of expensive implements; it protects your fine barns from the weather; and it brightens up the outside and makes you proud of your home. By good paint we mean *Certain-teed*. It spreads more easily, covers more surface, and wears longer than ordinary paint.

WE find that Certain-teed paint gives you more for your money. When you put Certain-teed paint on your house we know that we will do more paint business in your neighborhood.

LIEN FORECLOSURE ON CONEY ISLAND

The Santa Rosa Lumber Company, with which is affiliated the Boyes Springs Lumber Company, filed suit Monday against Wolf Baron and others for $15,079.58, alleged to be due for lumber and building materials furnished for buildings at the Coney Island Amusement Park at Verano and to foreclose a lien filled at the time of the completion of the work. The complaint covers 61 typewritten pages and is accompanied with 73 typewritten pages in the for of exhibits, a total of 134 pages. This is believed to be the most voluminous complaint filed in many months. Roscoe W. Griffin and Russeell F. O'Hara of Vallejo represent plaintiff.

"Me for COMFORT in the morning"!

—Noon, night *or* morning—there's nothing so gratifying as the warmth from a good oil heater filled with Pearl Oil! Heat by the roomful right where and when it is needed: sick-room or guest-room, living-room, hallway or bath—no fire to lay—coal, wood or ashes to lug—*only* the touch of a match! And no "oily" smell—Pearl Oil is refined and re-refined — the clear, bright flame consumes it entirely.

When you order, remember "coal oil" and "kerosene" are simply generic terms for kerosene of *all* kinds—good, bad and indifferent. Make sure you get the highest quality kerosene *only*, refined by the Standard Oil Company's special process. *Ask for Pearl Oil by name.*

NOTICE OF TRUSTEES' SALE UNDER DEED OF TRUST.

WHEREAS,— W. BARON and FLORA BARON, his wife, of the City and County of San Francisco, State of California, did, on August 31, 1922, execute a certain deed of trust, bearing date on said day, to FRANK M. BURRIS and F. T. DUHRING as Trustees for the benefit and security of FRANK O. DANSARE and JOHN SPADE, and to secure the payment to the said Frank O. Dansare and John Spade of a certain promissory note, dated on said day, executed by the said W. Baron, wherein and whereby said W. Baron promised and agreed to pay to the said FRANK O. DANSARE and JOHN SPADE the sum of $2,500.00, in the manner following: $500.00 thereof on or before six months from August 31, 1922, and the sum of $2,000.00 on or before five years from said last mentioned date, together with interest upon all deferred payments from said date at the rate of six per cent per annum, payable semi-annually, and if not so paid to be added to the principal amount and thereafter bear interest at the same rate; principal and interest payable only in lawful money of the United States of America, and at the option of the holders or holder of said note, if any installment of principal or interest be not paid within thirty days from the respective times appointed by said note therefor, the unpaid balance of principal, together with accrued interest, shall forthwith become due and payable; all in accordance with the terms and conditions of said promissory note; and which said deed of trust was recorded in the office of the County Recorder of the County of Sonoma, State of California, on the 19th day of September, 1922, at 42 minutes past 9:00 o'clock A. M., in Book 25 of Official Records, at page 91, Sonoma County Records;

AND, WHEREAS, the said W. Baron and Flora Baron, his wife, have and each has made default in the payment of the said sum of $500.00, installment of principal due six months from August 31, 1922, and the obligations secured by said deed of trust, and the said Frank O. Dansare and John Spade, beneficiaries as aforesaid, having given three months' notice of such breach and of their election to cause said property to be sold to satisfy said obligations by recording a notice of such breach and election in the County Recorder's office of Sonoma County, California, as required by Section 2924 of the Civil Code of California, and having also in writing duly demanded that said trustees sell said lands and premises mentioned in said deed of trust, in order to accomplish the objects of said trust, in the manner provided by law and said deed of trust;

NOW, THEREFORE, pursuant to the said notice of breach and election to sell and the said demand, and in accordance with the terms and under the authority of the said deed of trust, the said Frank M. Burris and F. T. Duhring as such Trustees DO HEREBY GIVE NOTICE that on Monday, the 19th day of November, 1923, at 11:00 o'clock A. M., at the front entrance of The Valley National Bank, on First Street West, in the City of Sonoma, County of Sonoma, State of California, they will sell, at public auction, to the highest bidder, for cash, lawful money of the United States, as a whole, or, in their discretion, in such parcels or subdivisions as they in their judgment may deem reasonable, all those certain pieces, parcels, tracts and lots of land, situate, lying and being in the County of Sonoma, State of California, and bounded and described as follows, to-wit:

FIRST TRACT: Commencing at a point in the center of the County road leading from Sonoma to Santa Rosa at the northeast corner of the tract of land conveyed by Martha Alice Peck and Daniel Peck, her husband, to Frank O. Dansare by deed dated July 3, 1909, and recorded on September 7, 1909, in Liber 258 of Deeds, page 356, Sonoma County Records: thence from said point, South 75 degrees West, parallel with and 15 feet Southerly from the Northerly line of the tract of land conveyed by S. D. Magnes and Emma Magnes, his wife, to Martha Alice Peck, by deed dated June 19, 1905, and recorded in Liber 220 of Deeds, page 344, Sonoma County Records, 6.43 chains to the Easterly side of the right of way of the California Northwestern Pacific Railroad; thence along said right of way, South 15 degrees 15 minutes East, 4.36 chains, more or less, to the Northwest corner of the tract of land conveyed by Frank O. Dansare, a single man, to John Spade, by deed dated September 17, 1909, and recorded in Liber 259 of Deeds, page 216, Sonoma County Records: thence North 75 degrees 45 minutes East, 6.29 chains, along the Northerly line of the tract conveyed to Spade, to the center of said County road leading from Sonoma to Santa Rosa; and thence North 13 degrees 30 minutes West, along the center of said road, to the place of beginning, containing 2.79 acres, more or less.

SECOND TRACT: Commencing in the center of the County road leading from Sonoma to Santa Rosa, at a point which is South 13 degrees 30 minutes East in direction and 4.65 chains from the Northeast corner of that tract of land deeded to Martha Alice Peck by S. D. Magnes and Emma Magnes, his wife, by deed dated June 19, 1905, and Recorded in Book 220 of Deeds, page 344, from which corner a white oak tree one foot in diameter is south 30 degrees 31 minutes West, 47½ links distant; thence from said point of beginning, leaving the center of said road South 75 degrees 45 minutes West, 6.29 chains to the Easterly side of the right of way of the Northwestern Pacific Railroad; thence along said right of way, South 15 degrees 15 minutes East, 4.46 chains; thence leaving said right of way, North 76 degrees 30 minutes East, 6.14 chains to the center of said County road; thence along the center of said road, North 13 degrees 30 minutes West, 4.53 chains to the place of beginning, containing 2.79 acres of land. Courses true. Magnetic Variation 17 degrees 40 minutes East.
